FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Public Safety-Division of Fire Safety** assume no fiscal impact.

Officials of the **Kansas City Manager's Office** assume no fiscal impact.

Officials of the **City of Springfield** assume no fiscal impact.

Officials of the **City of Fulton** assume no fiscal impact.

In response to similar legislation officials of the **Eureka Fire Protection District** assume no fiscal impact.

Oversight assumes this proposal is a procedural change in laws that allow for the creation of fire protection districts, and or for Fire Protection District that would want to increase the number of Board members from 3 to 5. Oversight assumes there would be no fiscal impact to the fire district or to State Funds. Increasing the number of board members would need voter approval. Any costs would be discretionary.
